ILO ONLINE TRAINING

▶ **Save the Date: Tuesday 2 June 2020**
@ 10.00 am – 1.00 pm Belize Time

▶ **Six-step COVID-19 Business Continuity Planning (BCP) and Safe Return to Work Guidelines**

The ILO, in collaboration with the Belize Chamber of Commerce and Industry, is inviting you to participate in an online training on COVID-19 BCP and Safe Return to Work Guidelines for Employers. The training will be facilitated by Mr. Robert Teelucksingh and will help participants to:

- Conduct risk assessment to establish the level of risk/vulnerability to your enterprises;
- Develop and implement a COVID-19 BCP based on six simple steps, i.e. identifying key products or services; establishing the objective of your BCP; evaluating the potential impact of disruptions to your enterprises and workers; listing actions to protect your business; establishing contact lists; and maintaining, reviewing and updating your BCP;
- Develop and implement measures to prevent the spread of COVID-19 in the workplace to enable workers to return safely while keeping the risk of contamination low; and
- How to protect workers' mental well-being.
