

Mr. Filippo Alario

Executive Director

Mr. Filippo Alario is the Deputy Chief Executive Officer and Chief Risk Officer of the Belize Bank. Mr. Alario is responsible for strategic leadership of risk management, including policy setting, governance and reporting. His activities cover implementation of a coordinated group wide Enterprise Risk Management Framework and the independent oversight of risk management including AML/CFT Compliance.

A 25-year career banker in the Caribbean, Mr. Alario held several executive management positions at several international and regional financial institutions. He has a wealth of experience in the areas of Corporate and Investment Banking, Capital Market Risk Management, and Compliance.

Mr. Alario is also a director of the Board of the Belize Bank Ltd.
